### DARK CONTROL OPERATION France

DCO (Dark Control Operation) is a band created in 2011 by VDB42 (vocals / lyrics / keyboards / add. programming) and WMS73 (programming / keyboards / electronic drums / add. vocals).

When coldness, melodies and power embraces you obtain the DCO sound. The band advances a purely electronic music, searching its influences in Dark Electro music as well as in the EBM and mixed it in a very personal way.

The band's message is strong and wants to explain us the modern propaganda and its influence on our lives. The album is on the way, and will be out on January 11<sup>th</sup>, 2013.

While waiting for the release of its first production, DCO is on the road with the determination to make you open your ears.
